

Dear students,

hoping you could get along with all the tasks of the short story “The Gift of the Magi”, today I will give you two last tasks referring to the same story.

1. Write a summary of the text in no more than about 80 words. (Count your words!)
For doing it right, repeat the rules for summary writing (in your books). Never forget, participle constructions help you to shorten written sentences !!!
2. Then **choose one** of the following topics. Be aware of the different rules you have to follow when COMMENTING or DISCUSSING. (see glossary in your books)

A “ True love will always survive.” *Comment on this statement.*

Or

B “In the world we live in, clothes and appearance are the basis of personal success.

Discuss.

Count your words !! GOOD LUCK !

At the end, all of you please send me your complete work you have done at the last story. (So, those done on Thursday and today - Friday. Of Friday's work, you can choose between SUMMARY -Nr 1, or COMMENT / DISCUSSION – Nr 2 A or B.) “Deadline” is 2 pm. I repeat my address: leschniewski@gymba.de
