Hi, Lisa, how is your new school?

My school is super.

The school is OK, but I miss you.

What about your new house?

Our new house is great. The three

bedrooms are upstairs. Mum and Dad like their

bedroom and I like my room too. Bob

doesn't like his room. He says it's so small.

Boys!!!

Lisa, would you like to see some photos of

our new house?

Great. Bye, Katie.

Bye, Lisa.
