

Dear students,

again we will work at home and I'll try my best to help you go through the topics.

First, let me wish you and your families all the best for our New Year 2021 with a strong HEALTH !!! Good luck for everything you have planned.

Let's start our first lesson with just some easy exercises after a longer break of learning English.

Please, repeat the topic of **LOOKING AT LANGUAGE** - "adjective or adverb?" page 55 in your books.

Then do number 1/a written ( schriftlich) and TRANSLATE. Be careful about the DIFFERENT SPELLING RULES! (RS-Regeln)

Example: angry - angrily - wütend/ böse/ verärgert  
bad - badly - schlecht/ schrecklich

After finishing, listen to the audio files.(Tonaufnahmen)

The first example is given in your books.

Then write the sentences for number b - file by file.  
(nacheinander)

After all these exercises with adverbs, turn over to your workbook on page 35. Here read about PLYMOUTH HARBOUR.

Do number 17 b). Look at the TIP-BOX to mark keywords in the tasks (Aufgaben), then in the text.

Put your answers "W, R or N" into the little boxes, as said in the task.

Well done!! Keep your papers well for our next check. (Bitte ordentlich anheften für spätere Kontrollen.)

Read you tomorrow. For questions contact me:
