

Dear students of form 6a,

I hope your weekend was nice and you are motivated for our next steps.

First, in the attachment you can find solutions to the last checkpoint tasks in your workbook.

Then go on in your English book to listen to an audio file and do number 2a and b at page 67.

After that, work at the crossword with new vocabulary in your [Workbook](#) p.42, nr.1 a) and b).

When you have finished it, try to practice describing pictures in number 2a. You can write all sentences into your workbook.

Next lesson I'll give you a possible solution. Bye, bye.
