

Dear students,

at first let me thank all students for their interesting legends they sent to me.

This lesson, our kids from the book are going to travel (reisen) to Tavistock to visit Lucy's granny.

Please, first listen to the four audio files I send you. Then look at the given copy and do the tasks.

Listen to the audio file twice (2x).

When it turns out (herausstellt) to be VERY HARD, look at the pupil's book text, page 68. There you can read the text and look for the right answers.

Now, who of you loves horses ? And ponies ?? On Dartmoor, there live special little ponies called DARTMOOR PONIES.

Go to BACKGROUND FILE p.68 and read about them.

In your part TOPICS write about five interesting facts about those ponies.
