

Dear students,

here are the solutions to our task with the Background File, the other answers for my last copy are sent as a photo.

I Please compare (vergleichen).

Dartmoor ponies

- about three thousand ponies on Dartmoor
- they live on the open moor
- new foals in spring
- farmers take them back to farm in autumn
- farmers count the ponies and sell some
- others go back to open moor and spend the winter there

II Now to the text part - [Saturday afternoon](#)

Look at page 69, there is a picture story.

Please, read it (like a comic 😊) and afterwards, do nr 3 **WHO SAYS WHAT** in **1 and 2** (pp.68/69)

First, copy the sentence from the book. Then look **WHO** says it and what does **WE** stand for. (See the example)

(In the 2nd sentence **SHE**, in the third sentence **YOU**, in the 4th one **YOU** again, then **THEY, WE, HE**.)

1. > **Lucy** is the speaker, and the **WE** stands for the kids **Sam, Lucy (and Justin, Maya)** only when you look at the pictures)
2. > ... is the speaker, and the **SHE** stands for
3. > is the speaker, and the **YOU** stands for
4. >
5. >
6. >
7. >

So, that is enough for today. Hopefully, it was not too hard. If you want, you can send me your answers again.

Meet you next lesson.

Bye, yours Mrs Leschniewski
