**9 EXTRA Festivals are fun, aren't they?** (Question tags) → SB (p. 88) • GF13 (p. 94) 🎧

You don't know who I am, do you?

a) Finish the dialogue with the correct question tags.

Dan: Festivals are great fun, aren't they ?

Nina: Sure, when it doesn't rain. It rained on Lord Mayor's Day last year, didn't it ?

Dan: I can't remember, but it won't rain this year, will it ?

Nina: Mum says it will be a bit rainy in the morning, but it will be sunny later.

Dan: Oh, well, we'll see. Leo is so excited. He can't wait for Saturday, can he ?

Nina: I know. He loves celebrations, doesn't he ? But you like them too, don't you ?

Dan: Yes, of course. It's better than Saturday shopping, isn't it ?

The parade starts at 1 o'clock, doesn't it ?

Nina: Yes, that's right. We can all watch it together, can't we ?

Dan: I'm not sure. At 1 o'clock Nick will probably still be busy at the food stalls, won't he ?

**Today it's time for mediation and writing:**

- 1) Read SF 12 on p. 151 again: how do we mediate?
- 2) Do sb.p. 88, ex. 5.
- 3) Do wb.p. 59,8.
- 4) Write an „email“ text about your next birthday\_ wb.p. 58,5 and give the text to Greta or Hugo: again, please tell the teachers in the teachers' room to put yor texts on my desk.
- 5) Copy the new words sb.p. 200, take notes – introduce
- 6) And draw pictures for 6 words (like *blow out a candle* on p. 198) .

See you again tomorrow, stay healthy!

Yours,

Mrs Kahl
