

Dear students,

I hope you're all well? We're getting closer to the end of Unit 3.

Please remember: on their way to Radford Park, where they want to make a kung-fu film, Sam and Justin meet Leo and take him along.

Please find out what happens: read the text "**Master Wu and the magic book**" in your student books on p. 58/59.

To check if you understood the text well, please do the following exercises:

- 1) sb. p. 59, ex. 1a+ 2 + 3c
- 2) wb.p. 37, ex. 20a+b+c+d+e

That's all for today. I hope you enjoy reading.

Stay healthy and best wishes,

Mrs Kahl
