

Dear students,

I wish all of you **A HAPPY NEW YEAR!** I hope you spent a nice time between Christmas and New Year's Eve (=Silvester), got some of the presents which you wanted to have and enjoyed the snow in some way. I really hope all of you are well and you have some energy for homeschooling.

In our first English lesson in the new year we want to activate our English and write about our holidays

Please write a text and answer the questions in it (please use **simple past**, because it is over now):

MY CHRISTMAS HOLIDAYS in 2020

- 1) What do you like about Christmas and what don't you like? Explain.
- 2) What presents did you want to get for Christmas?
- 3) Which presents didn't you get?
- 4) What was the worst present and why?
- 5) Which presents did you give to other people and why?
- 6) Say how this year's Christmas was different from (=anders als) the Christmasses you know.
- 7) What was best in this year's Christmas holidays? Say what happened.

If you want to know English words, please use www.leo.org and the dictionary at the end of your student books.

Write your text and send it to me in an E-mail: please ask your parents for help. Send the E-mail to : DK.gymba@gmx.de. I must have it **tomorrow night (Wednesday). !!!**

I am going to correct some of your texts and I am going to choose one of your texts and send it to all of you so that you can give feedback and correct the mistakes.

That's all for today,
see you on Thursday!

Mrs Kahl
