

Dear students,

Was your picture nearly the same like the photo in the book?  
The better the description, the closer the picture to the original.

As I said yesterday, I thought it is an easier way to train some more reading today than starting something new in grammar, don't you think?

So, please do the two pages in your workbooks: p. 54 and 55 today.

And learn the words from Unit 4 again- do it now, there won't be much time left to do it later!

I really hope to see at least half of the class again next week!  
Have a nice weekend !

Best wishes,  
Mrs Kahl
