

## 2. Lewis's trip

Liebe SchülerInnen, der zum 17.03.2021 geplante Lernstoff könnte möglicherweise nicht zu Ende gemacht worden sein. Der wird heute fortgesetzt.

Vorab eine Musterlösung für die Aufgaben am 17.03.2021

### SB, S. 64, nr. 1

So könnt ihr anfangen:

- I remember / there is / there are / in one of the photos I saw / one photo shows ...

road signs in two languages / money / different coins / a castle near a river or lake / a very modern building / teenagers on horses in the countryside / an old city at night with lots of lights / a bridge over a river in a city / happy people with black and green hats / people on a cliff by the sea / an Irish sign.

- Your notices about the island: Ireland is an island. The Irish Sea (the North Channel and St. Georges Channel) is (are) between the two islands; Ireland is smaller than Great Britain. The west of Great Britain. There seem to be two countries and two capitals. Northern Ireland with Belfast as its capital and Ireland with its capital Dublin. Most towns are near the coasts. Ireland's west coast has lots of bays, cliffs and beaches and is probably very beautiful. There are many mountains, the Wicklow Mountains on the east coast, and the Connemara Mountains in the west. Three ferry links connect Ireland with Great Britain.
