Wir lesen den Songtext und dann wählen einen der vorgegebenen Sätze aus der Aufgabenstellung aus, der die Botschaft des Songs am besten beschreibt, und wir werden unsere Wahl begründen.

Lösung: **Message 2**

Begründung: The message „Never give up your dream.“ fits the song best because it says that you should work on with hope even if you are in a difficult situation (storm, dark) that is dangerous for your dreams. So you could say that the song’s message is that you should still believe in your dreams even though they seem impossible at that moment.
