- b) Use your lists to make a tree diagram in your exercise book. Before you start, look at p. 58 of your student's book again.
- c) ● Describe in a few sentences how tennis is played. Use words from your lists in a). Or: describe how to play your favourite game.

In a singles game, there are two players. Player 1 hits the ball over the net and Player 2 hits it back.

The ball mustn't go outside the white lines. If a ball is out, the other player gets a point.

The player who wins six games wins the set. To win the match, a player has to win two sets (women), or three sets (men).
