

Dear students,

today please listen to the audio files and do the following tasks:

1. Explain what Hailey does in her volunteer job. Then say if she likes the job.
2. Is she polite to the visitors? Give examples. Is she surprised by how the visitors speak to her? Give reasons for your opinion.
3. Say how Hailey's feelings change in her conversation with her parents. Then listen and say how the reader shows us how Hailey feels. (For help look at your sb p.56)

- At last practice reading the text aloud!!
- In the end, try to find information online about MOSS BEACH at the Website of [Fitzgerald Marine Reserves](#). Click the photograph for more colourful pictures. You may enjoy the beautiful fauna. Give 5 to 8 sentences about your impressions.

Good luck says Mrs Leschniewski.
