

Dear students of class 8a,

we still are in homeschooling modes, so let us start our new term in an easy way.

Hoping that everybody could enjoy nice holidays I ask you to write about them.

Work out an interesting text (circa 150 words) about **one day** or **all the time**, say **who** was with you **where** and **when**, **what you did** and **why**. Put in good linking words.

Within your text try to use some **IF-sentences**. (Type 3 > „was wäre gewesen, wenn...“)

In the end, please count your words.

Meet you on Monday.

Kind regards from Mrs Leschniewski.
